### Product description

# The Chronicles of Malus Darkblade: Volume Two

#### A Darkblade Anthology

Malus Darkblade continues his quest for powerful relics, searching for a potent blade, and an amulet, to complete his task and appease the daemon that's bound to him. His path will test him like never before.

#### READ IT BECAUSE

The notorious Dark Elf warrior Malus Darkblade has a knack for getting into (and out of) some pretty sketchy situations. This omnibus completes his current quest, but there's plenty more to his story.

#### DESCRIPTION

The second anthology brings three full novels and one short story together, taking you on a wild ride full of danger, action, and dastardly deeds. This is fantasy at its darkest, but most entertaining.

Written by Dan Abnett, Mike Lee, and C L Werner.
