The Helwinter Gate

A Space Wolves Novel

As the Imperium crumbles around them and darkness descends, the Space Wolves of Járnhamar Pack seek vengeance for old wrongs – whatever the cost.

READ IT BECAUSE

Discover what Járnhamar Pack got up to as the 13th Black Crusade ravaged the galaxy and the Dark Imperium dawned. Chris Wraight returns to the heroes of Blood of Asaheim and Stormcaller.

THE STORY

Isolated. Outcast. Alone.

Járnhamar Pack are forced to flee from the judgement of their own Chapter aboard a stolen voidship as the Imperium descends into total war around them. Still pursuing vengeance for old wrongs, these Space Wolves hunt across ruined worlds for an enemy who remains stubbornly hidden. Yet as the perilous journey unfolds, the Pack learn their nemesis is not the only threat to their survival. They must also contend with the uncertain path chartered by one of their own, whose strange and unsanctioned powers continue to grow.

Their ultimate goal of a return to Fenris – with their honour restored and oaths re-sworn – becomes steadily more elusive. As the Imperium's borders crumble and the long-prophecised onslaught of the Archenemy begins, Járnhamar Pack must race to uncover the truth of an ancient betrayal and halt its horror from coming to pass, lest everything they have fought for be destroyed in the coming storm.
