Product description

The Old World: Kingdom of Bretonnia edition set - miniatures, rulebook (ENGLISH)

Across the Old World, mighty kings and powerful warlords raise glorious armies and grim hordes without number. When the evil forces gather, and darkness presses in upon the realms of Men, bold heroes muster gleaming hosts in the defence of their homes. Throughout Bretonnia, the earth trembles with the thunder of galloping hooves as noble knights charge to war.

The Bretonnians are a warlike and valiant people who willingly seek out battle as a way of securing personal honour and pride. Their armies are feared and respected throughout the Old World, marching to war in the name of the Lady of the Lake, and sweeping aside all opposition on the field of battle.
