### Product description

## The Old World: Tomb Kings iof Khemri edition core set - miniatures, rulebook (ENGLISH)

From the arid deserts of ancient Nehekhara, vast legions of skeletal soldiers heed the commands of their kings and incantations of wizards, rising up from beneath the baking sands to slaughter those that would claim the distant reaches of their forgotten empire.

The Tomb Kings are the true monarchs of the Undead. They ruled a vast and mighty civilisation at a time when other human nations were still barbarians, and now, thousands of years after their deaths, they have been awakened. Rising from their sarcophagi, the mummified Tomb Kings possess the same thirst for conquest that drove them in life. They march forth to reclaim their rightful dominion over the kingdoms of the living, and woe betide any that stand in their way.
