Product description

Thousand Sons – Court of The Crimson King

This boxed set contains a supremely powerful daemoniac Primarch, leading a trio of Exalted Sorcerers. Beneath his watchful gaze marches a formidable phalanx of Rubric Marines, arcane automata armed with enchanted weaponry and supported by the eldritch powers of their psychic leaders. This box provides 24 plastic models with access to a variety of psychic abilities and special weapons, making it an ideal way to start a new Thousand Sons army or add to your existing collection.

This set includes the following multipart plastic models:

- 1x Magnus the Red
- 3x Exalted Sorcerers
- 20x Rubric Marines

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
