Manufacturer	<b>Games Workshop</b>

### Product description

## Tomb Kings of Khemri: Skeleton Horsemen/Horse Archers

This multipart plastic kit builds 16 Skeleton Horsemen, raised to serve the Tomb Kings of Khemri. Each of these undead outriders is mounted atop a skeletal steed, and carries a tall Nehekharan shield alongside a cavalry spear or a one-handed weapon – alternatively, they can be built as Skeleton Horse Archers armed with warbows. The kit provides two command sections, each comprising a musician, a Master of Horse, and a standard bearer with a choice of icon tops, allowing you to field your Skeleton Horsemen or Horse Archers as one large regiment or two smaller units.

This kit includes a variety of different weapon and shield designs, skeletal heads, quivers, and arm poses, all of which are interchangeable – so you can ensure your lifeless cavalry still have a lively look to them.

This kit contains 160 plastic components, and 16x Citadel 25x50mm Rectangular Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
