### Product description

## Tomb Kings of Khemri: Tomb Guard

This multipart plastic kit builds 20 Tomb Guard, the elite skeletal infantry of the Tomb Kings of Khemri. Each Tomb Guard is clad in light armour and scraps of mummified wrappings, carries a finely decorated shield, and can be armed with a bladed hand weapon or a sweeping halberd. This kit also provides components for all the command upgrades you'll need, whether you choose to field your Tomb Guard in small groups or as one large phalanx – you can build musicians, standard bearers with optional vultures to sit atop their icons, and Tomb Captains with ornate wargear and death masks.

The kit includes a wide variety of different skeletal heads, shield designs, poses, bony torsos, and weapon arms, all of which are entirely interchangeable – so you can ensure your undead phalanx looks totally unique, no matter how large it grows.

This kit contains 176 plastic components, and comes with 20x Citadel 25mm Square Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
