## Product description

# Tyranid Warriors

The Tyranid Warrior models come in 3 distinct poses with every single combination of weapon available on the frame. There is a staggering choice of weapons to choose from including 3 pairs of lash whips; 3 pairs of spinefists; 3 devourers; 3 pairs of rending claws; 3 pairs of scything talons; 3 deathspitters; 3 pairs of boneswords; a venom cannon; a barbed strangler; and 3 pairs of flesh hooks. These can be taken in a variety of combinations depending on how you want to arm your Tyranid Warriors.

This kit also includes the option to make a Tyranid Prime. This monster is distinguished with its own chest plate; head and crest; shoulder guards; and has the option to add a scythed tail.

As well as this multitude of options there are also enough adrenal glands and toxic sacs to add to the entire unit, and a choice of 4 different faces for the Warriors.

This plastic kit contains 89 components with which to make 3 Tyranid Warriors, or 2 Tyranid Warriors and a Tyranid Prime.

This kit comes supplied unpainted and requires assembly - we recommend using Citadel Plastic Glue and Citadel Paints.
