## Product description

# Tyranids: Onslaught Swarm

The box includes 34 plastic miniatures for use in games of Warhammer 40,000, and will also save you money compared to buying the contents separately. It's an ideal way to start a Tyranids army, or easily add to an existing collection.

### This set includes the following multipart plastic models:

- 1x Hive Tyrant (which can alternatively be built as 1x Winged Hive Tyrant, or 1x Swarmlord)
- 1x Norn Emissary (which can alternatively be built as 1x Norn Assimilator)
- 10x Genestealers
- 20x Hormagaunts, with 2x Ripper Swarms

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel Colour paints.

The miniatures in this set are also available separately
