Product description

Tyranids: Termagants and Ripper Swarm + Paints Set

This box is the perfect way to start your collection of Tyranids. You'll get three plastic Termagants, each with a distinct pose, plus a plastic Ripper Swarm, all the paints you need to prepare them for battle, and a paint brush to get you started. These models are push fit, only requiring clippers to assemble – no glue, no mess.

Each Termagant is armed with a fleshborer and, like the Ripper Swarm, features vicious claws and teeth. They are posed as though stalking their prey. These miniatures are supplied with appropriate bases.

The six Citadel Colour paints are supplied in 12ml pots and feature the essential colours needed to paint the miniatures in the colours of Hive Fleet Leviathan, as well as a Technical paint to create textured bases:

- Corax White (Base)
- Wraithbone (Base)
- Naggaroth Night (Base)
- Thunderhawk Blue (Layer)
- Magos Purple (Contrast)
- Armageddon Dust (Technical)

The box also includes a Citadel Starter Brush included to get you painting quickly.
