### Product description

## Vanguard: Beasts of Chaos

If you want nothing more than to bring ruin to the Mortal Realms, this box makes an ideal start for a Beasts of Chaos army – or an excellent expansion to any existing collection – and will save you money when compared with buying the kits individually. The set includes a mighty Great Bray-Shaman to lead your army, along with a selection of durable and hard-hitting Battleline units in the form of Gors, Bestigors, and Ungors, as well as hard-hitting Dragon Ogors with which to break through enemy lines. It's a full army in one box, leaving you ready to crush foes in your games of Warhammer Age of Sigmar.

This set includes the following multipart plastic models:

- 1x Great Bray-Shaman
- 3x Dragon Ogors
- 10x Gors
- 10x Bestigors
- 10x Ungors, which can also be built as Ungor Raiders

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
