## Product description

# Vanguard: Daughters of Khaine

For those who wish to honour Morathi-Khaine in war, this Vanguard box makes an ideal starting point for a Daughters of Khaine collection – or a simple way to add to the ranks of your murderous aelven warriors – and will also save you money compared to buying the contents individually. With a Hero, Battleline, and additional support, this set offers a complete army in a box for you to bring to the tabletop in games of Warhammer Age of Sigmar.

### This set includes the following multipart plastic models:

- 1x Melusai Ironscale
- 10x Witch Aelves, which can alternatively be built as Sisters of Slaughter
- 5x Blood Stalkers, which can alternatively be built as Blood Sisters
- 5x Doomfire Warlocks

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
