Product description

Vanguard: Nighthaunt

For those who wish to bring terror to the living, this Vanguard box makes an ideal starting point for a Nighthaunt collection – or a simple way to swell the ranks of your spectral legions – and will also save you money compared to buying the contents individually. With a Hero leading a substantial Battleline, this set offers a complete army in a box for you to bring to the tabletop in games of Warhammer Age of Sigmar.

This set includes the following multipart plastic models:

- 1x Knight of Shrouds
- 10x Grimghast Reapers
- 20x Chainrasps
- 3x Spirit Hosts

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
