### Product description

## Vanguard: Orruk Warclans

If you want to inflict sneaky tricks and blood-curdling violence on the Mortal Realms, this box makes an ideal start to an Orruk Warclans army – or an excellent way to expand your Kruleboyz collection – and will save you money compared to buying the kits individually. The box includes a Killaboss on a Great Gnashtooth to lead from the back, with a roster of vicious Guttrippaz and Boltboyz, plus a poison-spewing Belcha-banna and a powerful Killbow. It's a full army in one box, ready to stalk from the swamps in games of Warhammer Age of Sigmar.

#### **This set includes the following multipart plastic models:**

- 1x Killaboss on Great Gnashtooth
- 1x Murknob with Belcha-banna
- 1x Beast-skewer Killbow
- 3x Man-skewer Boltboyz
- 10x Guttrippaz

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
