### Product description

## War Zone Nachmund: Rift War

The Imperium cannot afford to lose the Gauntlet, but its forces are already exhausted and overstretched. Even as the systems around the southern end of the Gauntlet are reinforced, sedition begins to take hold, and no amount of heroism and sacrifice may be enough to throw back the Worldclaimer...

#### In this 88-page hardback book, you'll find:

- The story of Haarken Worldclaimer's conquest of the Nachmund Gauntlet, including the siege of the Chaos Knight world Dharrovar, and the Imperium's attempts to resist them at all costs
- An in-depth War of Desperation campaign system for all modes of play – fight for control of three brutal War Zones, each with its own special rules and Legendary Mission
- Crusade rules to represent mobile Space Marine raiding forces and devoted hordes of Chaos Undivided, plus new arcane rituals for the Thousand Sons
- Additional rules content, including a Codex Supplement for the Castellans of the Rift Chapter of Space Marines, and Armies of Renown for Tzaangor-themed Thousand Sons and the Drukhari's Haemonculus Covens

You will need a copy of the Warhammer 40,000 Core Book to use the contents of this book.
