### Product description

## Warcry: Carry Case

Warriors in the Eightpoints shield themselves from harm with leathers, steel, and spells. Warriors on the tabletop, however, are best protected with sturdy EVA foam and a quality carry case. This warband-sized miniatures carrier stores a warband worth of models safely and securely, keeping your careful paintwork and modelling from any harm. It's ideal if you're looking to store them safely at home or take them to your next battle, and can even be unzipped to form a pair of trays for dice rolling and keeping track of your doubles, triples, and quadruples! And you thought plate armour was pretty cool.
