Product description

Warcry: Centaurion Marshal

This multipart plastic kit build one Centaurion Marshal, a massive eight-limbed warrior armed with an array of weapons. Rearing up on his hind legs, tail and top-knot swaying behind him, this model makes an eye-catching addition to any Chaos collection – and the gladiatorial style of his armour fits perfectly with the other denizens of Archaon's fighting pits, such as the Chaos Legionnaires who share his worship of Be'lakor.

The Centaurion Marshal can join any Chaos warband in games of Warcry using the included fighter and ability cards (in English, French, Italian, German, Spanish, Chinese, Japanese, and Russian).

This kit comprises 22 plastic components and is supplied with a Citadel 80mm Round Base, as well as a fighter card and an ability card for using the Centauroid Marshal in your games of Warcry. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel paints.
