Product description

Warcry: Kruleboyz

The Kruleboyz are always ready for a scrap, and they could hardly care less who they're bashing up. If you love the idea of a sneaky, underhanded warband that can dish out horrendous punishment, the Kruleboyz just might be for you. Inside the box, you'll find additional fighter cards for a variety of models in the Kruleboyz orrucs range. This box includes the multi-part kits of Gutrippaz and Man-skewer Boltboyz, so there are plenty of ways to build up your warband to ensure a good variety.

This warband set contains:

- **10 Gutrippaz**, armed with a mix of jagged blades, bludgeons, and shields
- **3 Man-skewer Boltboyz**, armed with deadly crossbows and wicked blades
- **Kruleboyz wound divider and abilities cards**, allowing you to use all sorts of sneaky tricks
- **14 fighter cards**, including: 1x Killaboss on Great Gnashtoof, 1x Killaboss, 1x Murknob with Belcha-banna, 1x Swampcalla Shaman, 4x Gutrippa variants, 2x Man-skewer Boltboy variants, 2x Hobgrot variants, 1x Stab-grot, 1x Pot-grot
- **84 tokens**, including: 24x activation tokens, 32x double-sided wound tokens, 2x initiative markers, 10x special tokens, 16x objective marker/treasure tokens

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints. This set is supplied with 15x 32mm Round Bases.
