Product description

Warcry: Ogroid Myrmidon

Whether you're commanding your Slaves to Darkness or seeking favour in the Bloodwind Spoil, if you have a Chaos collection, you want an Ogroid Myrmidon. This hulking champion is more than just a deadly close combatant, but a great leader for your units. This expansion lets you bring the Ogroid Myrmidon to your games of Warcry. Add him to your Iron Golems, Corvus Cabal, Cypher Lords, Splintered Fang, Untamed Beasts, The Unmade, Spire Tyrants and Scions of the Flame warbands as an Ally, and harness deadly abilities with included fighter and ability cards.

This set contains a multipart plastic Ogroid Myrmidon with a 50mm round base. It also includes an Ogroid Myrmidon Warcry Fighter Card and ability cards in English, French, Italian, German, Spanish, Chinese, Japanese, and Russian.

Please note – you'll need a copy of the Warcry Core Rules as well as Monsters & Mercenaries to use this set in Warcry. Rules for using this model in Warhammer Age of Sigmar can be found in the Downloads tab.
