Killzone Octarius is a scenery expansion set for Warhammer 40,000 Kill Team, comprising a range of Ork terrain pieces to populate Killzones. As well as being an excellent set of modular terrain, this box lets you recreate the mission layouts in the Kill Team: Octarius book. It's the perfect complement for your games of Kill Team, and an ideal way to begin or expand your terrain collection.

This kit is comprised of 55 plastic components with which you can build:

4x Ramshackle Walls
3x Ramshackle Barricades
3x Scrap Piles
1x Oil Pump

The set also includes a double-sided folding gaming board measuring 30" x 22.4", allowing you to build a battlefield suitable for games of Warhammer 40,000 Kill Team. This durable boards feature different artwork on each side and can be combined with other gaming boards to create battlefields of any size.

These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel paints.
