Product description

Piety and Pain

Unleash the Drukharis in a merciless realspace raid or burn the xenos invaders with the holy fire of the Adepta Sororitas with the Piety and Pain battlebox.

Whether you're looking to battle a friend or get a handy selection of units for your Drukharis and Adepta Sororitas collections, this set is for you!

Inside, you'll find 26 plastic Citadel miniatures, including:

- Lelith Hesperax
- 10x Wyches
- 5x Scourges
- 1x Venom
- 1x Palatine
- 5x Retributors
- 2x Armorium Cherubs
- 1x Immolator

The 32-page Piety and Pain campaign book is your guide to the events unfolding in War Zone Metalica that led the Drukharis and Adepta Sororitas into bitter conflict. Additional rules, meanwhile, give you datasheets for everything in the set, as well as army abilities that let you master their full potential. A selection of missions let you play through a mini-campaign that's ideal whether you're looking to learn the ropes with the armies in the set or experience an evening of thrilling games with a friend. There are also bespoke Crusade campaign rules for the two factions in the set, making the Piety and Pain battlebox a great choice for new and existing players alike.

The set also includes an Adepta Sororitas Transfer Sheet, alongside 12x 32mm Citadel Round bases, 12x 25mm Citadel Round bases, 1x Citadel large flying base, and 1x ball socket stem.
