### Product description

## Warhammer 40k: Shadow Throne

Whether you're a long term defender of the Imperium, or a fledgling Cult acolyte, this box contains two exclusive miniatures, plus a force for both the Adeptus Custodes and Genestealer Cults, meaning you'll be able to kick off your own recreation of the Unthinkable War on Terra, or fold these reinforcements into an existing army.

**Inside, you'll find 25 plastic Citadel miniatures, including:**

- 1x Blade Champion
- 3x Allarus Custodians, with the option to build one miniature as a Shield-Captain, and one as a Vexilus Praetor
- 5x Witchseekers, able to be built as Vigitalors or Prosecutors
- 1x Reductus Saboteur with explosive device
- 1x Genestealer Patriarch
- 1x Magus
- 1x Primus
- 2x Familiars
- 10x Neophyte Hybrids

A 32-page Shadow Throne campaign book covering the narrative of the Unthinkable War, which sees the Adeptus Custodes and Sisters of Silence in conflict with a covert uprising of Genestealer Cults beneath the Imperial Palace itself. This book contains Datasheets for everything in the box, as well as rules for the Deadly Ambush Theatre of War, a two-mission campaign, and Crusade rules giving each faction a Battle Trait table and both an Artificer and Antiquity Relic. All together, this makes Shadow Throne a brilliant choice for new and existing players alike.

The above units are supplied with 1x 50mm Citadel round base, 3x 40mm round bases, 10x 32mm round bases, and 13x 25mm round bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
