Warhammer Age of Sigmar: Dominion

The Soul Wars are over, but a new conflict brews in the Realm of Beasts.

It is a time of great change in the Mortal Realms. A surge of life sweeps across the eight realms to force back the tide of death left in the Necroquake's wake, and the forces of Order waste no time in laying claim to the newly rejuvenated land. But with Kragnos, god of Destruction, released from his prison and leading a vengeful rampage across Ghur, the Stormcast Eternals must fight their toughest battles yet to safeguard the pioneering Dawnbringer Crusades.

If you're looking to plunge headfirst into the new edition of Warhammer Age of Sigmar, look no further than this glorious boxed set. Warhammer Age of Sigmar: Dominion comes complete with two powerful armies, pitting the reformed Stormcast Eternals against the emerging threat of the Kruleboyz – cunning and deadly orruks native to the swamps of Ghur. The set also includes a Dominion-exclusive version of the Warhammer Age of Sigmar Core Book, which provides extensive background information on the game's fantastical setting as well as a full set of rules for playing thrilling games with your Citadel miniatures.

This boxed set includes:

1x 360-page Warhammer Age of Sigmar Core Book (Hardback): Discover the lore of Warhammer Age of Sigmar and learn to master magnificent armies of valiant warriors, wild daemons, and more on the battlefield. This vast tome of knowledge includes all of the game's core rules, three different styles of gameplay suitable for players of every level, variant game types for siege battles and tunnel fighting, and much more.

1x 24-page Start Here booklet – War at Amberstone Watch: This supplementary booklet is exclusive to the Dominion box and provides newcomers with the perfect starting point for the Warhammer Age of Sigmar hobby, including the story and gameplay rules for a fateful clash between the Stormcast Eternals and Kruleboyz included in the box.

60x Plastic Push-fit Citadel Miniatures: At the heart of the Dominion set are two armies of brand new miniatures, each cleverly designed so they can be pushed together without the need for glue.
