### Product description

## Warhammer Age of Sigmar Path to Glory Diary

The diary is A5 in size, and is clad in a red, flexible cover with a faux leather effect. The Warhammer Age of Sigmar logo is debossed into the front and spine of the diary's cover, and it comes with two ribbon markers for marking pages as needed.

The diary itself is 152 pages long and comprises four sets of repeated pages for use with the updated Path to Glory system in the Warhammer Age of Sigmar Core Book. The first two pages in each set enable you to record your army's name, icon, stronghold, territories and the progression of its Heroes.

The remaining pages in each set allow you to record the amazing feats of that army in up to 72 battles, including details of your opponent's army, victory points scored by each side, as well any developments that happen in the aftermath.

You will need a copy of the Warhammer Age of Sigmar Core Book, which contains the full Path to Glory rules, to make use of the contents of this diary.
