Product description

Warhammer: The Old World - Forces of Fantasy

Inside this 192-page hardback book you will find army lists containing profiles and special rules for every model available for the following factions, alongside magic items and unique spells:

- Dwarfen Mountain Holds
- Empire of Man
- Kingdom of Bretonnia
- Wood Elf Realms
- High Elf Realms

Each army list includes the Grand Army composition list for that faction, along with an introduction to the faction and a full description of each of the many characters and units it contains. Alongside this is a showcase of beautifully painted armies from the talented painters of the world-famous 'Eavy Metal team.

This is an expansion to Warhammer: The Old World – you'll need a copy of the *Warhammer: The Old World Rulebook*, available separately, to use the contents of this book.
