## Product description

# Warhammer: The Old World Rulebook

This book contains all the information you need to get started in this engaging game and become the conquering general of a fantasy army.

**Inside this 352-page hardback book, you will find:**

**The World of Legend:** A comprehensive history of the Warhammer world and an introduction to the many races and armies that wage eternal war for dominance over it.

**The Core Rules:** From the general principles, through movement and manoeuvre, to unleashing hails of arrows at your foe and, finally, smashing your enemies aside in deadly close combat.

**The Advanced Rules:** Rules for rare and potent troops such as war machines, chariots, monsters, and mighty heroes, each adding even more depth to your games.

**Realms of Magic:** An explanation of the Winds of Magic and rules for wielding a wide range of devastating and devious spells.

**Armies of the Old World:** A showcase of beautifully painted armies from the talented painters of the world-famous 'Eavy Metal team.

**Warhammer Battlefields: Rules** for organising your collection of models into an army, and for setting up the battlefields on which your armies will wage war.
