Warhammer Underworlds: Deathgorge

The ultimate competitive miniatures game brings the action to the frozen continent of Bjarl, in the Warhammer Underworlds: Deathgorge Core Set. This box is stuffed with everything you need to start playing, including two complete warbands, four decks of cards, dice, tokens, boards, and more.

Warhammer Underworlds is a deck-based strategy game of skirmish battles set in Warhammer Age of Sigmar's Mortal Realms. It's full of action, clever combinations and tricks, and fast-paced gameplay. You'll be able to get started right away with the four complete 32-card Rivals decks included in the box – one for The Thricefold Discord, one for Cyreni's Razors, and two universal Rivals decks for any warband. If you wish, you can even tailor your own deck using universal cards from other Warhammer Underworlds expansions for near-endless strategic depth.

This set contains:

- A complete and concise rulebook for Warhammer Underworlds. Deathgorge emphasises the use of Rivals decks, offering new ways to mix up your games and keep things fresh and balanced. The fascinating background material explores the frozen tunnels in the realm of Ghur, riddled with treasures if you're brave enough to claim them.
- The complete Thricefold Discord warband – three daemons dedicated to Slaanesh, and each blessed by the Dark Prince in different ways. Led by Vexmor the Excessively Indolent, Lascivyr, the Bladed Blessing and Vashtiss the Coiled offer their blades and sinister magic to create a balanced trio. These push-fit models are cast in deep purple to look the part even when unpainted, and they also include a unique Rivals deck so you can get them on the table right away.
- The complete Cyreni's Razors warband, a group of Idoneth Deepkin explorers. Cyreni of the Abyss, a mysterious Tidecaster, leads a pair of Namarti Thralls known as Renglaith and Alathyrr, along with Cephanyr, a Spirit Guardian in the form of an octopus-like sea creature. The models are all push-fit for easy building and cast in a cool grey plastic. You'll find a complete Rivals deck for Cyreni's Razors, which will get you gaming fast.
- 2 additional universal Rivals decks, usable by any warband – the high-speed Breakneck Slaughter deck and the spell-heavy Force of Frost.
- 2 double-sided game boards to represent the frozen tunnels of Deathgorge
- Warhammer Underworlds tokens, including objectives, wound markers, glory points, and many, many more
- 11 dice – 5 Attack dice, 3 Defence dice and 3 Magic dice, enough for the most devastating blows, desperate defences, and cataclysmic spells

Deathgorge is ideal for getting new players started, with push-fit models, a streamlined rulebook, and additional Rivals decks, while there are also fresh challenges for Warhammer Underworlds veterans.

This box contains push-fit miniatures, which are supplied unpainted and require assembly – we recommend using Citadel Colour paints.
