Product description

Warhammer Underworlds: Deathgorge - Malevolent Masks Rivals Deck

Get stuck into Warhammer Underworlds or mix up your game with the complete Malevolent Masks Rivals deck, usable by any warband – including those from past seasons. These cards can be used as a standalone deck in Rivals games, mixed with a warband's unique cards for Nemesis games, or used to build a deck from the ground up in Relic games. This deck doesn't include any spells, so warbands from any season can put it to good use. Each card is brand new to the game, and the deck is focused on empowering fighters, allowing them to score Objectives more easily when equipped with a haunted Mask.

This deck contains a 32-card universal Rivals deck consisting of:

- 12x objective cards
- 10x gambit cards
- 10x upgrade cards
- 1x background card that includes a deck list of the Malevolent Masks cards

These cards can be used by any warband as a complete Rivals deck, or as part of a custom-built deck. You'll need a Warhammer Underworlds core set to use this expansion.
