Warhammer Underworlds: Direchasm - The Starblood Stalkers

If you're looking for a warband that favours brains over brawn then The Starblood Stalkers are for you. That's not to say that they can't deal out some damage when they need to – they can – but with their speed and skill they are ideal for quickly jumping on unguarded objectives. This set also features universal cards for any warband in Warhammer Underworlds.

This set contains:

- 6x push-fit Starblood Stalkers miniatures – no glue required to assemble
- 6x fighter cards, representing each warrior in your games – Kiki-Taka, Klag-Trok, Huachi, Otapatl, Tok, and Xepic
- A further 62 playable cards (only available in this set) to enhance your fighters and provide new tactics and challenges for your games of Warhammer Underworlds: Direchasm, including:

 - 10x The Starblood Stalkers upgrade cards
 - 10x The Starblood Stalkers ploy cards
