### Product description

## Warhammer Underworlds: Gnarlwood - Grinkrak's Looncourt

Grinkrak and his Looncourt are an unusual warband, to say the least. Weighing in at seven models, they're one of the largest warbands in the game, making them ideal for board control and overwhelming your opponent. By undertaking Quests - objectives unique to this warband - fighters can earn glory points and become Inspired at the same time. This set includes a full Rivals deck to use straight out of the box, and the models are all easy to build - so you can get playing nice and quick.

#### **This set includes:**

- 7x push-fit Grinkrak's Looncourt miniatures - no glue required to assemble, cast in gloomy green plastic to stand out even when unpainted
- 7x double-sided fighter cards, one for each warrior in the warband - Grinkrak the Great, Snorbo da Spore, Pokin' Snark, Pointy Burk, Moonface Nagz, Skolko and Pronk, and Grib, da Wonky Lance
- 1x Grinkrak's Looncourt Warband Background / Rivals Deck Card

#### **A 32-card Rivals deck consisting of:**

- 12x Grinkrak's Looncourt objective cards
- 10x Grinkrak's Looncourt gambit cards
- 10x Grinkrak's Looncourt upgrade cards

Miniatures in this box are supplied unpainted and require assembly - we recommend using Citadel Colour paints.
