### Product description

## Warhammer Underworlds: Harrowdeep - The Exiled Dead

The Exiled Dead are aggressive, but flexible enough to keep your opponents on their toes and play for objectives. Once you get your shambling fighters into a good position, they'll be tough to tackle. To this end, Deintalos has an ability that will keep them all moving, activating multiple Arcwalkers at once. This box includes a complete Rivals deck, plus loads of extra cards allowing you to try out a few tricks, as well as universal cards and Grand Alliance cards to use with your other warbands.

#### This set contains:

- 7x push-fit Exiled Dead miniatures – no glue required to assemble, cast in a cadaverous grey to stand out even when unpainted
- 7x fighter cards, one for each warrior in the warband – Deintalos the Exile, the Prentice Markov, the Deadwalker Regulus, and the Arcwalkers Vlash, Bault, Coyl, and Ione.
- 65 cards to enhance your fighters and provide new tactics and challenges for your games of Warhammer Underworlds: Harrowdeep, including:
  - 12x Exiled Dead objective cards
  - 10x Exiled Dead upgrade cards
  - 10x Exiled Dead gambit spell and ploy cards
  - 6x Universal objective cards, usable by any warband
  - 7x Universal upgrade cards, usable by any warband
  - 7x Universal gambit cards, usable by any warband
  - 12x Grand Alliance cards, usable by any warband belonging to the specified Grand Alliance
  - 1x Exiled Dead Warband Background / Rivals Deck Card

Miniatures in this box are supplied unpainted and require assembly – we recommend using Citadel paints.
