### Product description

## Warhammer Underworlds: Nethermaze - Rivals of Harrowdeep

Da Kunnin' Krew and Xandire's Truthseekers are ready to move out of the fathomless depths of Harrowdeep and delve into the abyssal Nethermaze. Originally available in the Warhammer Underworlds: Harrowdeep Core Set, this kit contains the miniatures and fighter cards for both warbands, as well as a complete Rivals deck of 32 cards for each. It's a fantastic way to expand your collection with two fun warbands – and you can even add the miniatures to your Warhammer Age of Sigmar armies.

#### **This set contains:**

- The complete Xandire's Truthseekers warband – a band of Thunderstrike armour-clad Stormcast Eternals and their aetherwing companion, venturing into the dark of Ulgu on a quest from Sigmar himself. Build your warband with the four push-fit plastic models, cast in blue plastic to ensure they stand out even when unpainted, plus fighter cards and a 32-card Rivals-format deck so you can start playing right away
- The complete Da Kunnin' Krew warband – a gang of sneaky, cutthroat greenskins from the swamps of Ghur aiming to claim the dark, dank corners of Harrowdeep for themselves. Build your warband with the five push-fit plastic models, cast in dark green plastic, and build your decks with fighter cards and a 32-card Rivals-format deck to get stuck in as soon as possible

This box contains push-fit miniatures which are supplied unpainted and require assembly – we recommend using Citadel paints.
