Product description

Warhammer Underworlds: Wyrdhollow - Skabbik's Plaguepack

Skabbik's Plaguepack employ special rules to Corrupt areas of the map – this foul process is vital to the warband's success, and the Plaguepack's fighters can Inspire, gain new abilities, and score Glory by doing so, inexorably creeping their way to victory. This set includes a full Rivals deck to use straight out of the box, and the models are all push-fit – so you can get playing in no time.

This set includes:

- 6x push-fit Skabbik's Plaguepack miniatures – no glue required to assemble, cast in putrid green plastic
- 6x double-sided fighter cards, one for each member of the warband – Skabbik Plagueseeker, Rabidius Skench, Itchitt, Poxlix, Rikkit, and Skritter
- 1x Skabbik's Plaguepack background and plot card, with additional rules for using Skabbik's Plaguepack

Plus, a 32-card Rivals deck consisting of:

- 12x Skabbik's Plaguepack objective cards
- 10x Skabbik's Plaguepack upgrade cards
- 10x Skabbik's Plaguepack gambit ploy cards

These push-fit miniatures can be assembled without glue, and are supplied unpainted – we recommend using Citadel Colour paints to make them your own.
